GIVE YOURSELF A BREAK

Enter an oasis of peace and let yourself be enveloped by wellness with the exclusive Interno Marche SPA and the treatments we have designed for you, to regenerate body and soul.

Privileged moments to take care of yourself, accompanied by decorations inspired by one of the great protagonists of design of the last century, Laszlo Moholy-Nagy, whose graphics develop on the walls, embracing those who live this space.

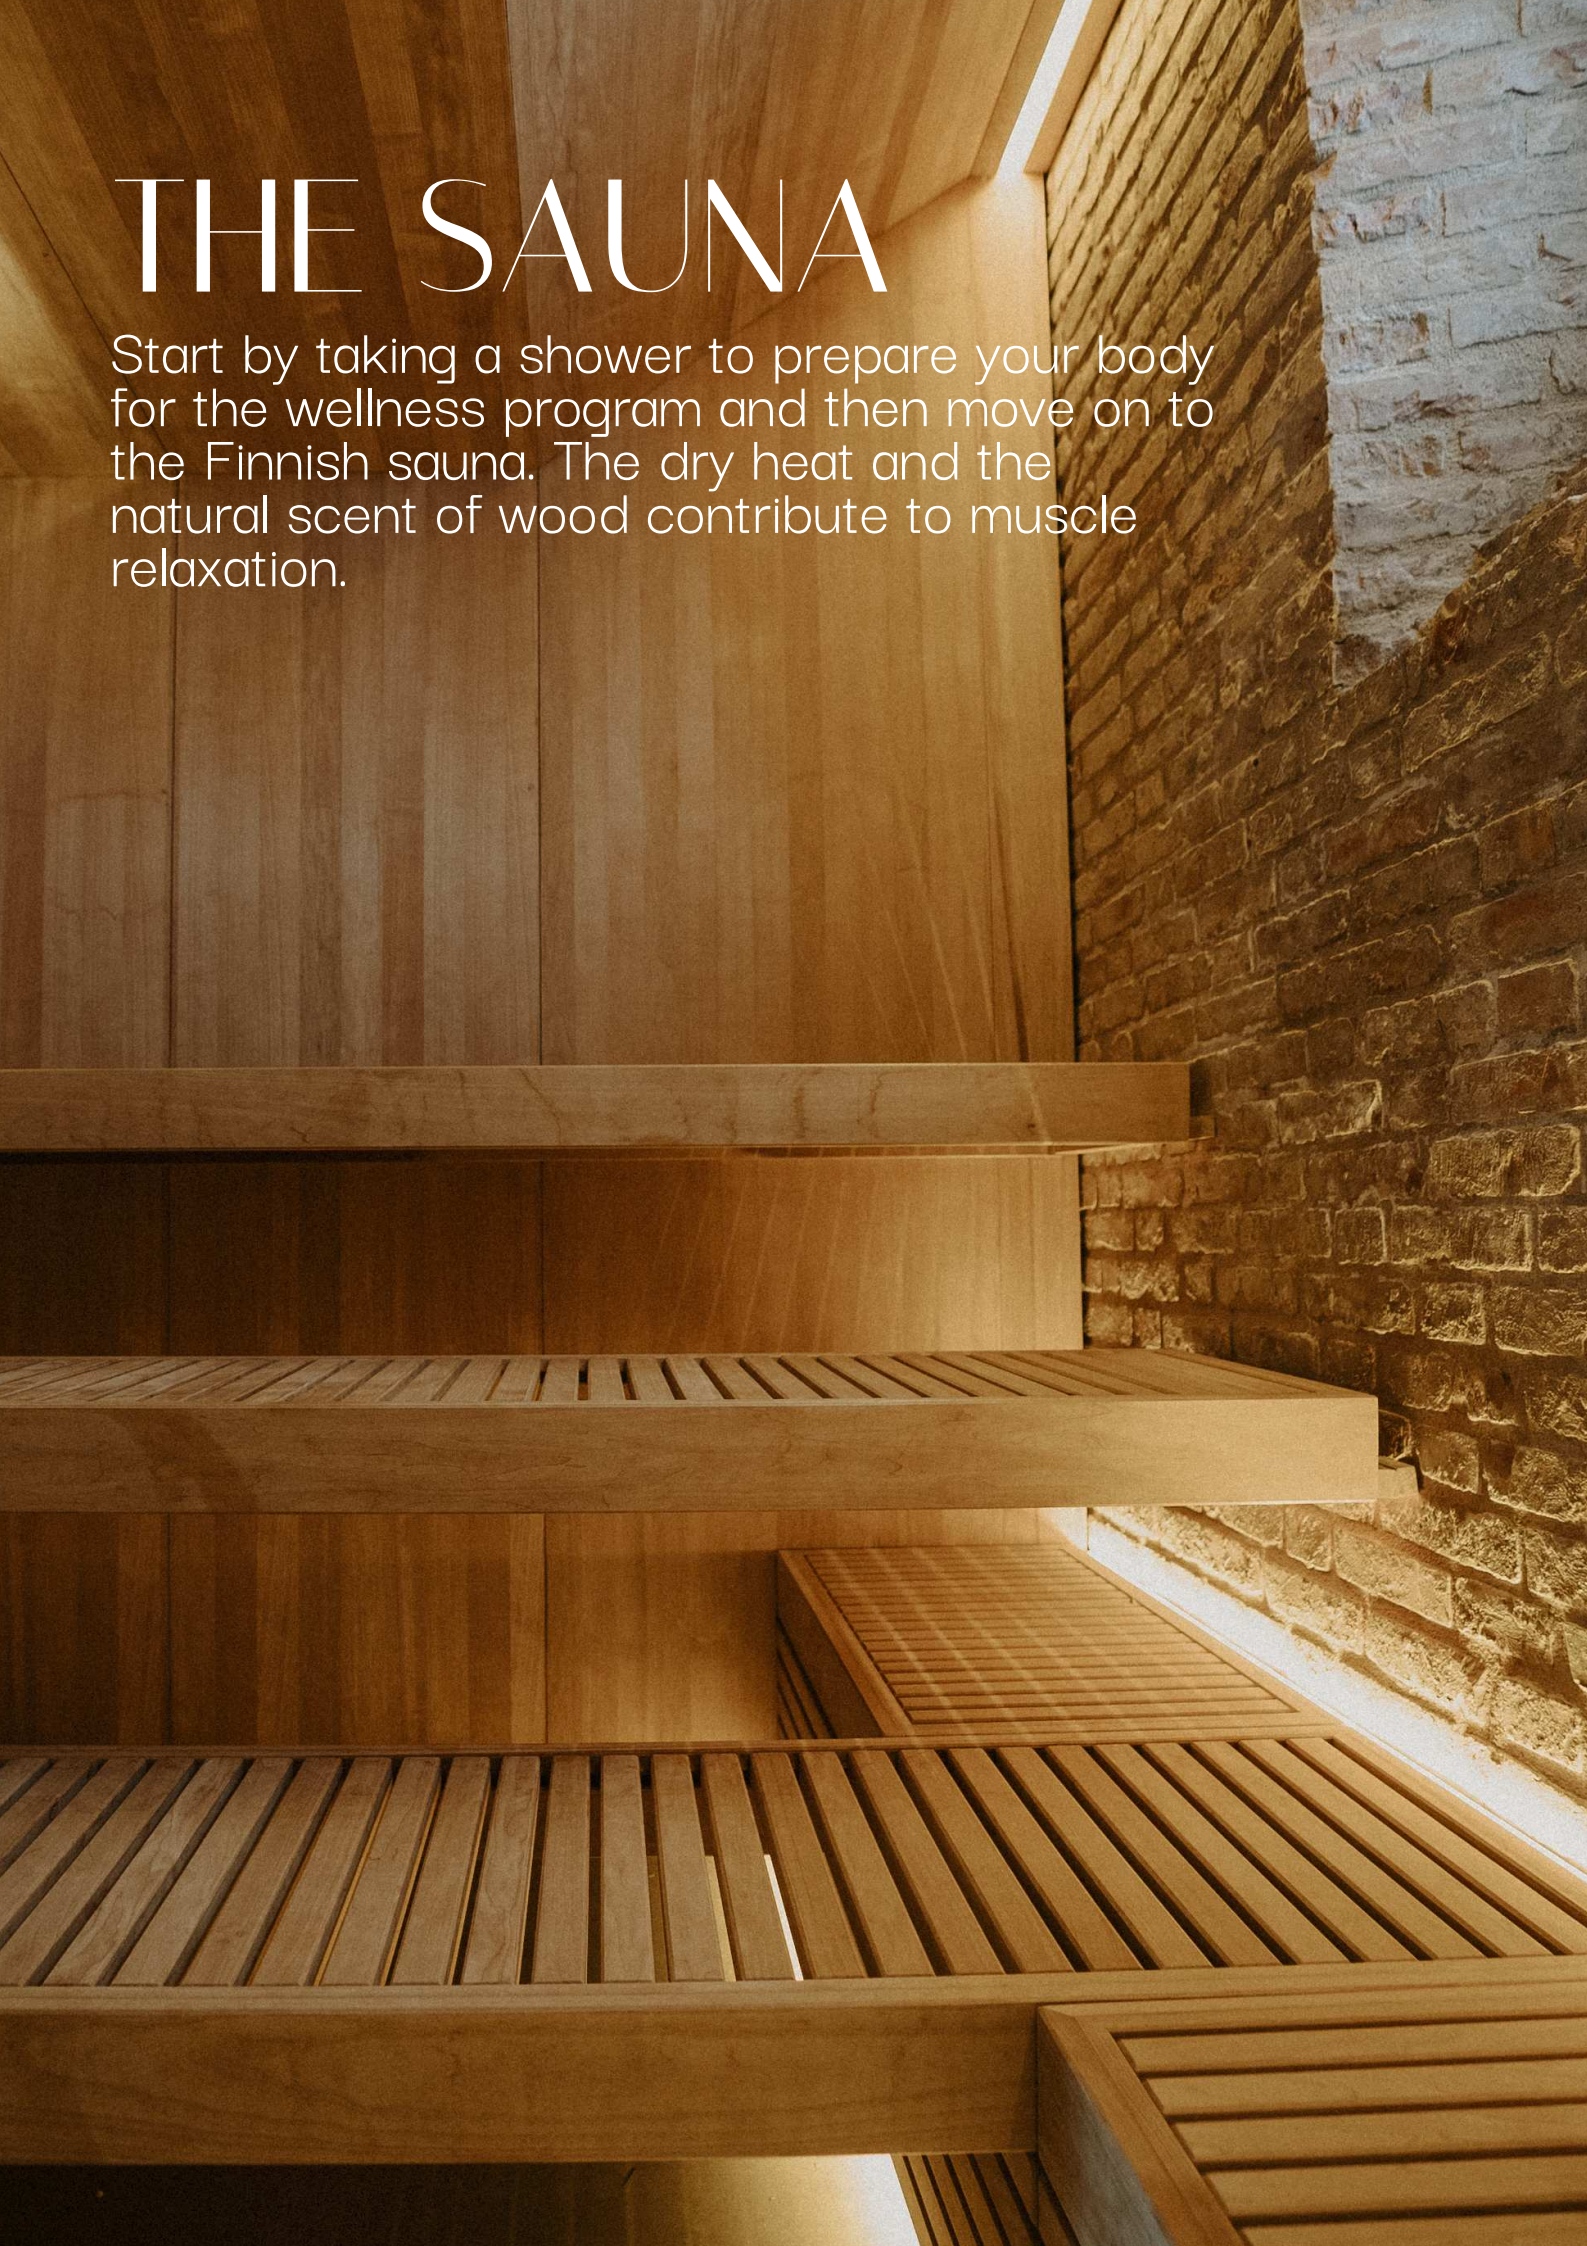

The well-being of the body and the creative inspiration of design for a truly satisfying experience for all the senses.

Discover the spaces

THE SAUNA

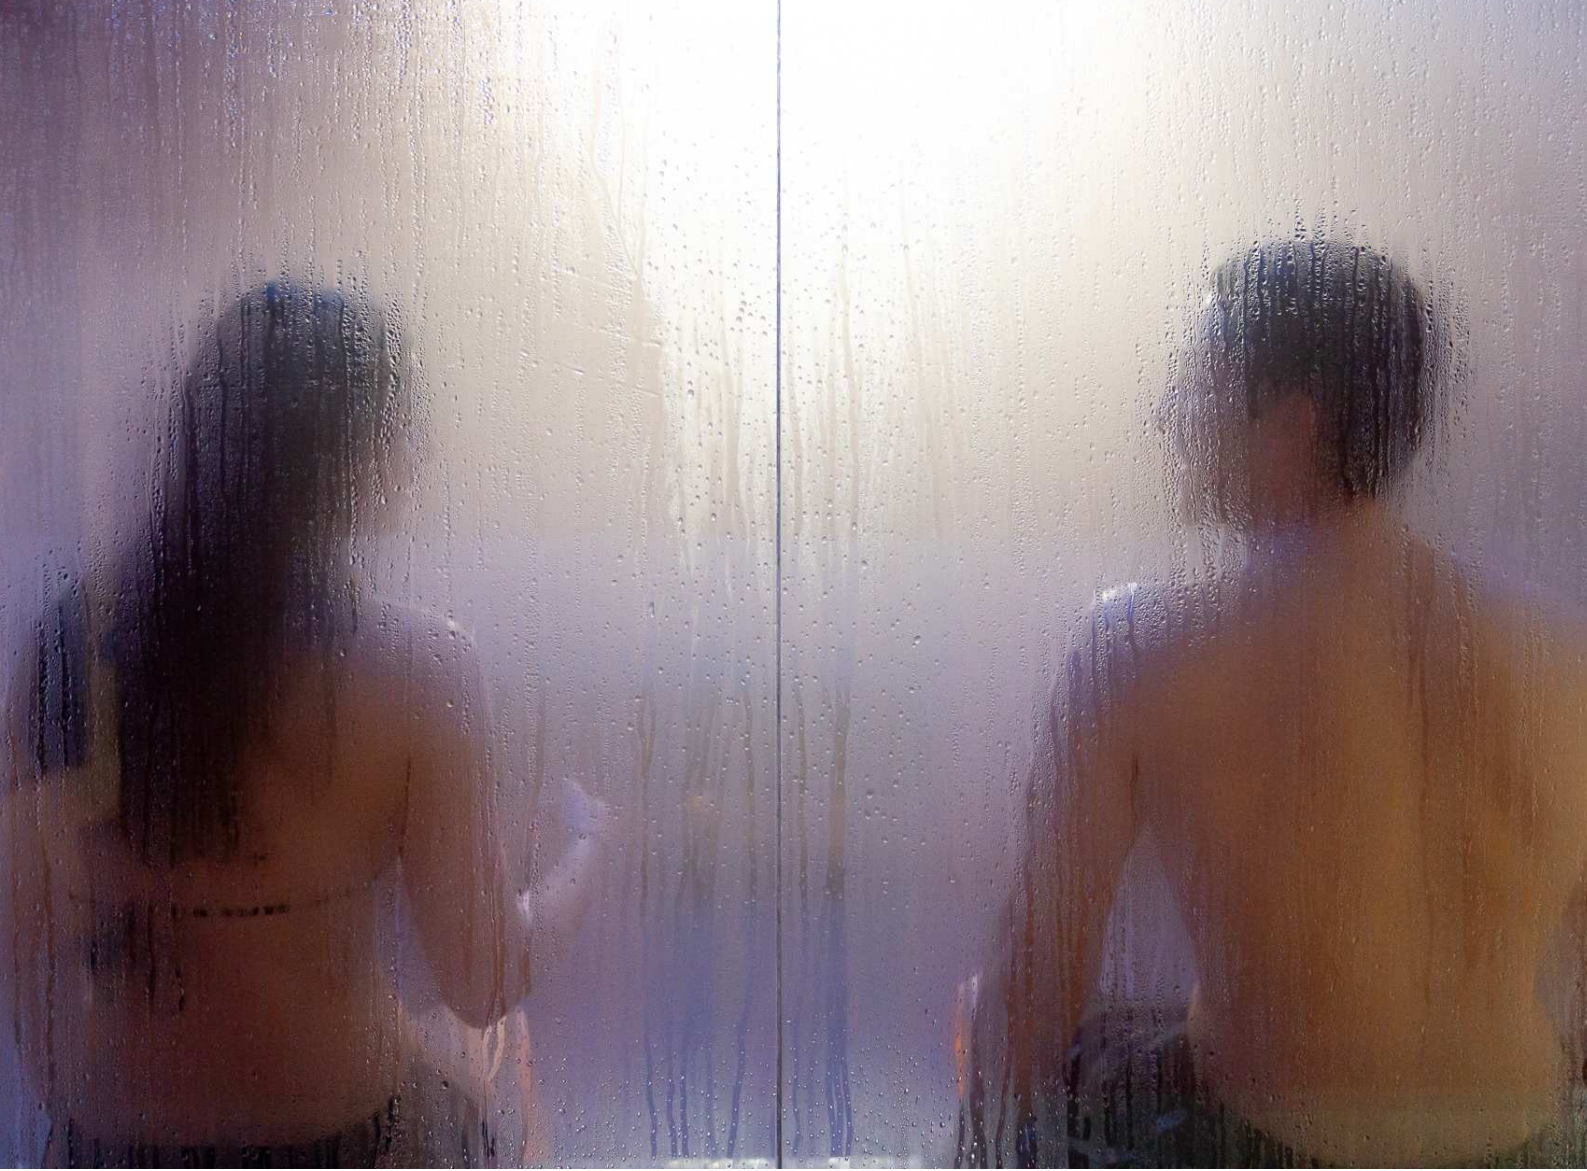

Start by taking a shower to prepare your body for the wellness program and then move on to the Finnish sauna. The dry heat and the natural scent of wood contribute to muscle relaxation.

ICE SHOWER

Take a cold shower to lower your temperature and stimulate vascular gymnastics.

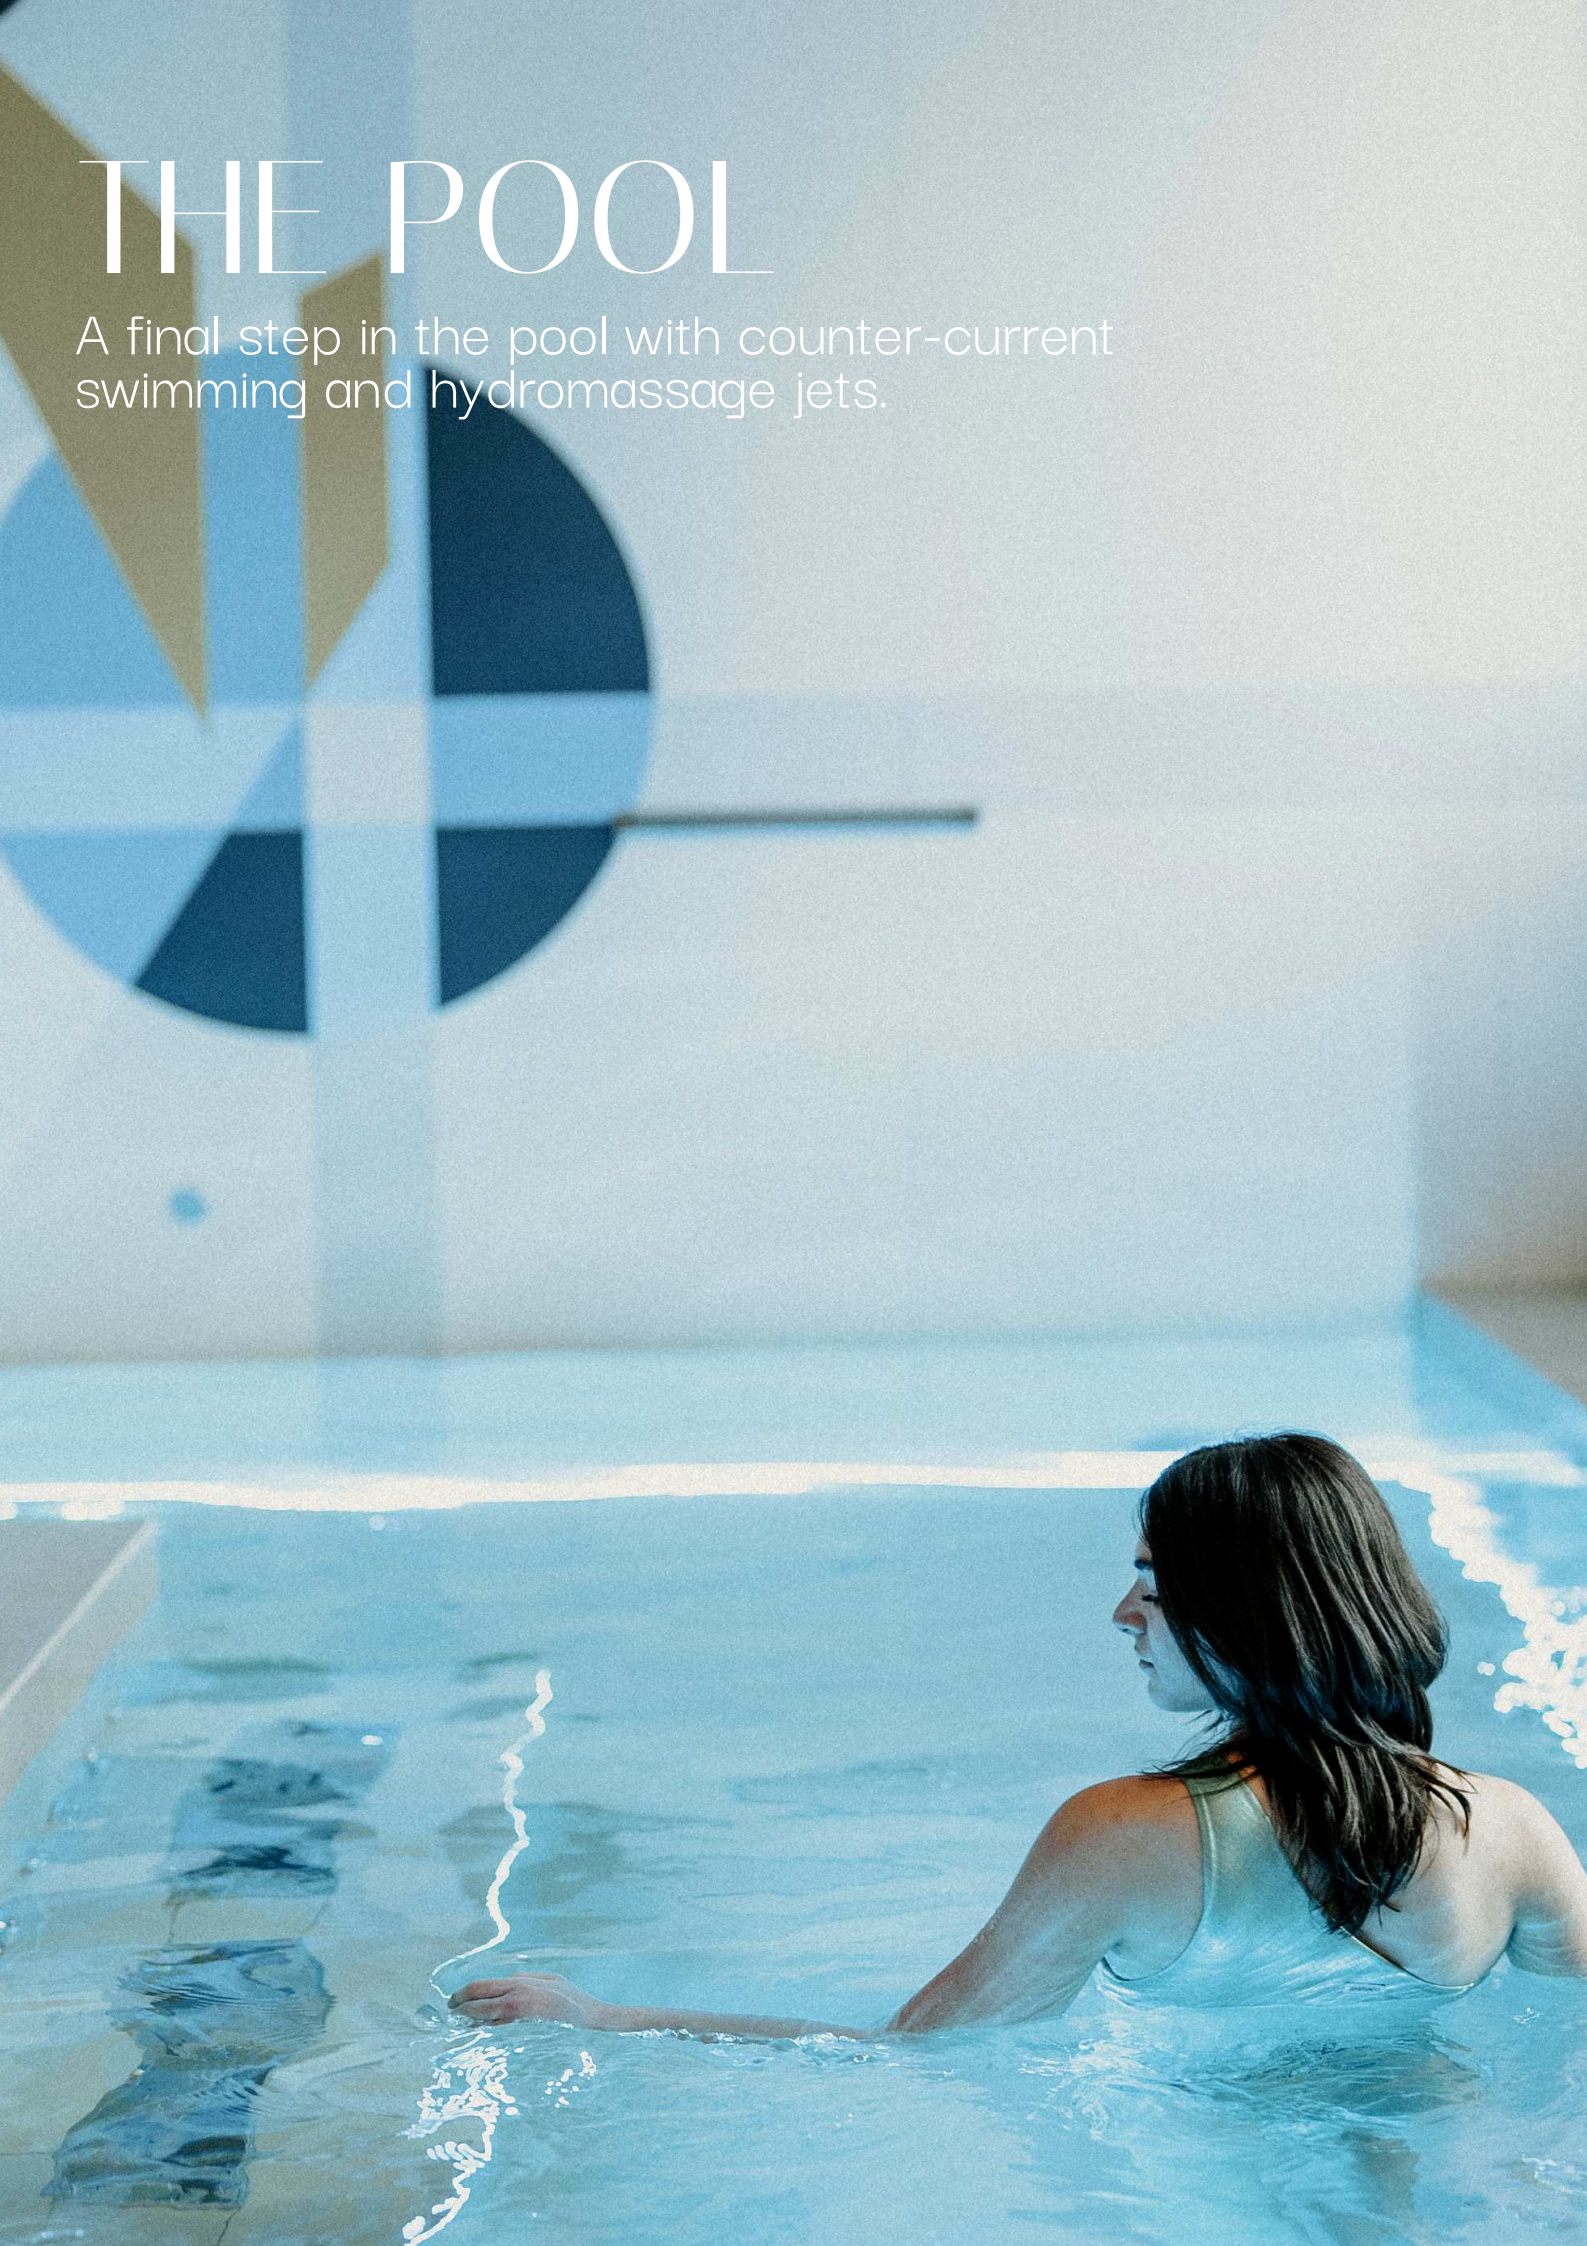

THE HAMMAM

It's time to move on to the Turkish bath, to eliminate toxins and stimulate circulation. Alternate it with emotional showers or rest on our tepidarium bench.

THE POOL

A final step in the pool with counter-current swimming and hydromassage jets.

RELAX AREA

Your wellness program is over, it's time to enjoy a scented herbal tea and relax in our relaxation area, letting yourself be lulled by the light installations on its ceiling.

Access to the SPA/Wellness Center is permitted with the prior authorization of the staff and is subject to the signing of the release and acceptance and compliance with the following Regulations.

- Reservations for access and for any treatment are mandatory. Requests for changes to the timetable or cancellations of access and/or booked treatments must be communicated to the Hotel Reception no later than 24 hours before access and/or the treatment itself. Otherwise, the rates agreed upon at the time of booking will be charged to the Customer.
- Access is to be considered a single access and once completed, it is not permitted to leave the facility and re-enter it without the express prior authorization of the staff.
- To make your stay safe and pleasant, access to the SPA/Wellness Center is permitted to a maximum number of people at the same time, so the Hotel Management reserves the right to limit entries in the event of crowding.
- Access is not permitted to pregnant women, to those who have had or have cardiovascular disorders and/or are affected, by way of example and not limited to, by heart disease and/or after-effects of cardiac surgery (by-pass, valve surgery, etc.), hypertension and/or arterial hypotension, respiratory diseases (asthma, emphysema, etc.), epilepsy or convulsive seizures, varicose disease and venous thrombosis, neoplasms, are wearers of plaster and/or other devices applied as a result of trauma or have after-effects of trauma or recent surgery and in any case who suffer from other significant pathologies.
- To avoid compromising one's well-being, access is not permitted to those to whom their doctor has advised against the use of SPAs/Wellness Centers and the practice of treatments.
- It is necessary to inform the staff of any particular conditions, even temporary ones (allergies, intolerances, recent operations, fever, ongoing infections, inflammatory phenomena in general, wounds in the acute phase or in the process of healing, dermatitis, mycosis, claustrophobia, etc.) that could interfere with the wellness program and the execution of treatments; in such cases, the staff reserves the right to prohibit access.
- Access is not permitted to minors under 16 years of age; from 16 to 18 years of age, access is permitted only if accompanied by adults after signing a specific release.
- The permitted time of stay inside the SPA/Wellness Center (including the use of the changing rooms) is 90 minutes. Treatments specific to the person will have the duration established by the staff assigned to them.
- To maintain the quality of the water and the cleanliness of the facilities, it is mandatory to shower before accessing the wellness program and after using the hot environments and not to use makeup, creams or body products.
- Users must only use the bathrobes, towels and non-slip slippers provided by the Hotel staff.
- It is mandatory to wear a swimming costume and non-slip slippers, paying maximum attention when moving around.
- It is advisable to wear a swimming cap in the pools.
- It is forbidden to run, push, dive into the pools and you must pay attention to the paved surfaces both in the water and out of it, which could be made slippery by the water.
- The maximum height of the pools is 1.30 meters and they are not equipped with surveillance.
- In case of illness in the Sauna and Hammam, sound the appropriate alarms inside them or contact the staff immediately.
- It is recommended to enter the pools without accessories, glasses and jewelry (bracelets, necklaces, rings, earrings, watches, etc.) as the water could damage them. It is recommended to leave them in the designated lockers, taking care to keep the locker key inside the pocket of the bathrobe. The Management declines all responsibility for any theft, loss, destruction or damage of personal objects and valuables even if they have been locked in the lockers provided for this purpose; users are advised not to bring valuables into the SPA/Wellness Center.
- It is mandatory to use a towel inside the sauna and on benches, deckchairs or other seating areas.
- At the end of the wellness program and/or treatments, the linen provided by the Hotel must be returned and placed inside the designated container located at the entrance to the SPA/Wellness Center and the keys to the lockers must be returned to the staff, checking that no personal objects have been left in the pockets of the bathrobes and in the lockers. The non-slip slippers are disposable.
- It is necessary to keep the telephone on silent mode throughout the SPA/Wellness Centre and maintain a tone of voice and demeanour appropriate to the environment in which it is being performed.
- Flammable and glass objects are not permitted.
- The consumption or introduction of food and beverages is not permitted except for services provided by hotel staff in designated areas.
- Smoking is not permitted.
- Dogs or other animals are not permitted.
- Interno Marche S.r.l. declines all responsibility for accidents, injuries, or damage to persons and/or property caused by reckless behavior attributable to users and/or in violation of these Regulations.
- Staff is authorized to reprimand and/or remove anyone who does not comply with these Regulations.
- Guests of the SPA/Wellness Center are informed that the technical systems of the hot tub comply with the provisions of Regional Government Resolution 14-10-2013 no. 1431 and subsequent amendments.
- These Regulations are displayed at the entrance to the SPA/Wellness Center.

The image shows the interior of a modern wooden sauna. The walls and ceiling are clad in light-colored wood panels. On the right, a section of the wall is made of exposed red brick. Three wooden benches, constructed from horizontal slats, are visible at different levels. Warm, ambient lighting is provided by recessed strips along the ceiling and walls, and by small rectangular light fixtures mounted on the wooden walls. The overall atmosphere is warm and relaxing.
